

Jordan Moureau

Full-Stack Developer | React & Rails

Liberty Lake, WA | (206) 715-7980 | jordan@freelancejordan.com | [LinkedIn](#)

Summary

I'm the person who gets up in the morning excited to work, inhales big challenges and takes on any task like it's my life mission. I'm the person who relishes every roadblock for the sheer joy of surmounting it. I thrive on simplifying complex problems—transforming 'big brain' challenges into elegant, simple solutions. Relentlessly determined, I'm a cornerstone to helping my team succeed.

Technical Skills
